

LAKELAND STAIRCASES

FREE DESIGN SERVICE & QUOTATION

Lakeland Staircases can transform your staircase in 2-3 days.

We offer you a choice of materials and designs using a variety of hardwoods such as walnut or ash, softwoods, toughened safety glass and metal.

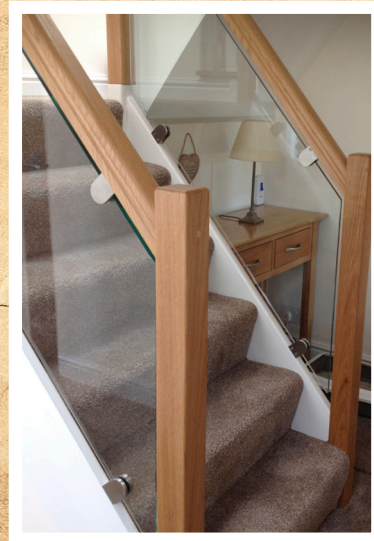

We carry out a home visit at a time to suit you, daytime or evening, carry out a free survey, design and quotation.

We have a variety of samples you can choose from including:- handrails, spindles, glass and metal products. No mess, no structural work, no building work.

Our team of time served joiners will hand craft your staircase to suit your requirements, whether it's a contemporary or traditional design.

We can replace your carpet with hard wearing hardwood treads, clad to the existing staircase.
